

Multilayer Banding Label

# MULTI-BAND®

The Multilayer Banding Label, the information carrier for your product! The Multilayer Banding Label is not only practical, it is also a marketing and branding tool. A Multilayer Banding Label offers more space for information than a traditional label or the normal Banderol and a printed Multilayer Banding Label makes your products stand out even more on the shelf and thus increases the chance of being caught.

## Advantages

- Protection against opening
- High-quality product appearance
- Linerless, so no waste of backing paper
- Extra space for your message
- Possibility for coupons

Banding can be processed automatically on a banding machine.

For information on the Branding by Banding® concept, please contact us!

## Packaging

Do you have the banding idea, but not the suitable packaging? We have many years of experience in the field of packaging and would be happy to help you find or put together the right packaging.

## Combine sustainability with luxury

Replace plastic bags and large packs with our luxurious, slim Multilayer Banding Label. Enjoy plenty of space for your message without unnecessary waste. Complete your sustainability drive with a recyclable flexible packaging solution. Environmentally friendly can be that beautiful.
